TELEGRAPHIC NEWS

VICTORIA.

The Hoax of Her Assassination.

Washington, 16.—A rumor was circulated to day which created the greatest excitement about the capital, to the effect that Queen Victoria had been assassinated, and the tidings becoming known on the floors caused a lively stampede of congressmen in search of the particulars. The state department was asked for information. A reply was received stating that the story was a hoax, but nothing corroborative was received. Inquiry at the English legation showed Minister West had also heard the startling intelligence, and at once telegraphed England for particulars. He had not, however, any official information of such a deplorable event, and was inclined to treat the matter as a sorry hoax. The mention of such a calamity showed how strong a feeling of respect and veneration existed at the capital for Queen Victoria, and frequently encomiums were passed to-day when it was thought she had been foully murdered, for the noble traits exhibited by her when President Garfield was assassinated. Every one deplored such a sudden end for one so famous in the world's history, and the corridors of the Capitol were thronged by excited crowds, eager to learn all the details of the crime, if one had been committed.

Northwestern Crops.

St. Paul, 17.—A large number of points in northern Dakota send reports fully confirming the estimates of increased wheat acreage in that section, and on both sides of the Red River Valley. The increase averages from ten to fifty per cent, and averages thirty between the Mississippi river and Red river. In northern Dakota the increase ranges from twenty-five to fifty. In the newly opened territory along the Northern Pacific between Red river and Devil's lake the increase can hardly be estimated in percentages. The west prairie of last year now contain thousands of acres of wheat. The weather is favorable and work progressing finely. Equally favorable reports come from western Minnesota. Much more corn will be planted than heretofore.

Miscellaneous Matters.

Benton Harbor, Mich., 16.—About a fourth of the fruit in this region was killed by frost on Tuesday. Similar reports come in from a wide expanse of country.

New York, 17.—specie engagements for to-day's steamers so far recorded, \$4,550,000.

The captain of the Rio Grande telegraphs that he has decided to sink the vessel. She is valued at \$250,000, and her cargo at \$120,000.

Memphis, 17.—Frost in northern Mississippi last night did considerable damage.

Little Rock, 17.—It is reported that Payne and party, en route for Oklahoma, were seized by United States authorities at Albany, 17.—Senator Korman's bill passed permitting call loans to be made at any rate upon which the parties agree.

Crime.

Minneapolis, 17.—The president and the two professors who pursued the student Faine were arrested to-day.

Hancock, Mich., 17.—Anton Schewasser, a brewer, shot his wife as she lay asleep with her mother yesterday, and then shot himself through the head. Both are dead. Jealousy was the cause.

St. Louis, 17.—Four tramps arrested at Collinsville, Ill., confessed that they robbed and killed a negro on Sunday night near Collinsville, and put his body on the rail-road track and it was run over by a train.

Immigration.

Washington, 17.—The chief of the bureau of statistics reports that the total number of immigrants arrived from the principal foreign countries for the ten months ending April 30th, was 544,509 against 445,882 in the same period in 1881. Germany leads in the matter of numbers, being 185,000, an increase of over 40,000 as compared with the previous year. The immigration from China was for 1882, 21,899 and for 1881, 6,088.

Beet Famine.

Chicago, 17.—An Oshkosh, Wis., special reports great scarcity of cattle in that vicinity, and a beet famine is feared. That section has been completely scourged for live stock without much success. Farmers have raised few cattle on account of the scarcity of corn. An effort will be made to secure the importation of cattle from other points.

Nominations.

Washington, 17.—Among the names sent to the Senate to-day by the President were William H. Brown, to be surveyor-general district of Columbia; Thomas Wing, of Ohio, register of the land office at Prescott, Arizona; and Samuel W. Backus, postmaster at San Francisco.

Shocking Discovery.

Atchison, 15.—The remains of G. W. Acker, who left here on February 6th last, have been found in a thicket torn and eaten by hogs. His hair and bones were strewn over the ground.

Death of James Vick.

Rochester, N. Y., 16.—James Vick, the famous seedman, who was a playmate of Charles Dickens, and set type beside Horace Greeley, died yesterday from pneumonia.

Produce.

Chicago, 17.—Wheat dull, lower 123 1/4 @ cash, 4 June; corn weak, lower 78 May, 73 June and July; Pork steady, 19 1/2 cash, 55 July; lard dull, 42 1/2 cash, 55 July.

Fire.

Paris, 17.—The village of Marolles burned. Eighty-four houses were destroyed, and 600 persons are homeless.

Cable Clicks.

London, 17.—Lowell, United States minister, opened the Garfield House, a home for working girls, on Brexton road.

Shipboard Again.

Washington, 17.—Shipboard appeared before the foreign relations committee this morning with a heavy load of documents. The chairman said the House had demanded copies of all correspondence, papers and other evidence in Shipboard's possession showing what he did or attempted to enforce the claim of the Peruvian Company. Shipboard said he would not furnish such papers and evidence. He was then discharged, and no time fixed for his recall.

COMMUNION WINE!

Having purchased all the Altar Wines made under the immediate supervision of the Rev. P. J. Kaiser in the vineyards of His Grace, Archbishop Alemany, at the Old Mission San Jose; also the Wines made

FOR ALTAR PURPOSES!

out of Col. Hooper's cellars at Sonoma we herewith respectfully offer them to the clergy and others desiring an absolute pure wine, made with the utmost care, and guaranteed of the vintages represented.

ARPAH HARASZTHY & Co.
530 Washington Street,
San Francisco, Cal.

[S. F. Monitor, Aug. 25, 1881.]
The vital importance of having pure Altar Wine for the celebration of the Holy Sacrifice of the Mass is a matter which always gives the greatest concern to the Rev. Clergy, who are also aware of the difficulty experienced in procuring really pure wine by those living in remote regions from grape-producing localities. This difficulty, however, has now been entirely overcome, and every priest throughout the world can rely upon procuring really pure wine for altar use through the long-established and thoroughly reliable house of Arpah Haraszthy & Co., 530 Washington Street, in this city, who have made arrangements with Rev. P. J. Kaiser to be the sole agents in this city for the sale of all the wines made at the extensive vineyards at the Old Mission, San Jose, as well as the altar wine made by Col. Hooper at Sonoma. The firm of Arpah Haraszthy & Co. guarantee the perfect purity of these altar wines and are prepared to ship them in portable packages, in any quantity desired, and so put up that they will retain all their freshness during consumption. We think the enterprise of the house of Arpah Haraszthy & Co. is worthy of being encouraged, and we hope the Rev. Clergy throughout the world will avail themselves of this excellent medium in order to secure for Divine Service one of the most essential auxiliaries to its proper celebration.

Rev. Dear Sirs: Referring to our circular, we herewith annex copy of letter addressed to Rev. P. J. Kaiser by the Most Rev. Archbishop Alemany of San Francisco, Cal.

ARPAH HARASZTHY & Co.

ST. MARY'S CATHEDRAL,
625 California Street—1
San Francisco, July 19th, 1881.

The bearer Rev. P. J. Kaiser, having to spend some time in the East, for motives of health, may have occasion to speak to those desirous of procuring a genuine article of pure wine.

To all such I would say, that the wines made directly by himself or under his direction are pure and genuine. For some years he has had under his charge for me the Diocesan Vineyards of the Old Mission, San Jose, Cal. And these Vineyards he has quite renovated and brought to a state of considerable perfection; therefore I know the wines to be pure and genuine. I have given other letters to wine growers more or less commendatory, but none so strong as I would desire to make this, as in no other case did I have so good means of knowing.—And what I say for Father Kaiser's wines, I would say for his Olive Oil produced at the same place.

Very Respectfully,
JOSEPH S. ALEMANY,
Arch. of San Francisco, Cal.

Having been appointed Sole Agent for the above Celebrated Wine, I offer it in original packages, sealed, as it leaves the Vineyard, or in bottles to suit the purchaser. Its purity cannot be questioned, and it will undoubtedly be much appreciated for family and medicinal uses.
